# Knowledge & Craftmanship Since 1975

ALEAL is an internationally renowned brand of luxury home furnishings recognized for its original, unique designs and impeccable quality. We have been creating beautiful furniture and accessories since 1975 and our collections have been installed in prestigious residences worldwide and in many exclusive commercial and hospitality projects.

ALEAL's wide range of products is produced with the best quality materials at our factory in the north of Portugal. Using state of the art manufacturing technology, we take the highest quality woods, metals, glass, lacquers, leathers and fabrics and combine them to produce a spectacular array of sleek, superb furnishings that bring ALEAL's unique style to distinguished homes.

The creation of luxury home furnishings at this level of Design and Quality can only be achieved by staying abreast of lifestyle trends and choices, by envisioning designs that "are part of the customer's individual story" and by employing the services of an unparalleled team of skilled craftsmen that bring the designs to life. State of the art manufacturing technology allows the craftsmen to leverage their unique skills and to build products at a level of refinement that would not otherwise be possible.

ALEAL is a family owned business. Started by Zeferino Leal in 1975 as a very small furniture factory, ALEAL has now entered its fourth decade and its second generation. Zeferino's daughter's, Daniela Leal and Sandra Leal grew up in the business and are uniquely qualified to provide ALEAL with present and future Leadership. While ALEAL has changed with the times, a core of strong family values remains at its heart.

ALEAL's primary goal is Customer Satisfaction and as such, we maintain very close relationships and personal bonds with our customers. We are guided by our enduring commitment to Excellence, Elegance and Quality in all our actions. This is what drives us to transform wood into beautiful objects that become an integral part of our customer's lives.

We hope that you will enjoy our new catalog. May it serve as your guide to finding an unexpected treasure.

With Warm Regards,  
**THE ALEAL FAMILY**

MODERN  
TOUCH

A white, curved cabinet with a glass display door, containing various decorative items like vases and books. It has a modern, minimalist design.

A teal upholstered chair with a dark wood frame and a curved backrest. It is part of a set of four chairs around the dining table.

A dark blue dining table with a white X-shaped base. It is surrounded by four teal chairs. A vase of yellow flowers sits on the table.

A modern chandelier with multiple glass spheres hanging from a central point. The spheres are arranged in a circular pattern, creating a starburst effect.

A long, low sideboard with a blue and white color scheme. It features a white top section and blue lower sections. On top, there are vases with flowers, a book titled "THE OLD MAN OF THE SEA", and a small decorative object.

A framed abstract artwork with a dark background and white, scribbled lines, resembling a chalkboard or a piece of modern art.
