Designer
RAŞİT KARAASLAN

Founded in 1983 in Bursa, Turkey, Mobi is a manufacturer of high quality contemporary design furniture. The company's founder, A.Rasit Karaaslan, is also the designer of its entire collection. Mobi's products, with their superior quality and exceptional design, are sold all over the world for more than 15 years. Mobi manufactures its furniture in a system that blends traditional craftsmanship and advanced technology. This system of production allows for customization while guaranteeing perfection in quality. Each piece of furniture is individually crafted by artisans who have devoted

themselves to a tradition of excellence. The designs of Mobi have a timeless aesthetic appeal. The use of rounded forms within a contemporary approach has become Mobi's signature style. Elegant and unique designs coupled with the superb woodworking skills bring about the exceptional furniture that Mobi produces for more than a quarter of a century. The company combines different materials such as solid wood, veneer, leather and metal in its products. A wide selection of finishes enables each piece of Mobi furniture to be crafted to become personalized and unique.

SIDEBOARD

Three wooden stools are arranged in a cluster. Each stool has a circular seat with a complex, radial cutout pattern resembling a hurricane or a fan. The legs are simple, straight wooden posts. The stools are made of a dark, polished wood.

HURRICANE

A close-up view of a wooden stool seat. The seat features a large, intricate cutout in the shape of an octopus, with its tentacles extending towards the edges of the circular frame. The wood is dark and polished.
