

Please also note our general details and sales information

Edition 20.08.2024

Errors and amendments excepted. Our General Terms and Conditions are effective. / WEEE-Reg.-No. DE 69718127

DESIGN

CONSTRUCTIVE DESIGN

All the materials used correspond to the requirements according to RAL-GZ 430/4.

Cantilever armchair, metal frame

Seat upholstery structure: rubber straps, cold foam VW 35, Diolen

Back upholstery structure: rubber straps, polystyrene foam, Diolen

UPHOLSTERY CASUAL / LOOSE

With casual upholsteries you are rather sitting „in the sofa“ than on it, the upholstery snuggles. A casual/loose upholstery is characterized by a smooth upholstery structure. The cover is not wavel-ess. The ridge of the covers on the seat, back and armrests as well as sitzmarks due to the model and design are typical.

BACK TENSIONING SECTIONS

All back tensioning sections are supplied as standard with the original cover.

FUNCTIONS

Cantilever with extra long spring deflection by an innovative designed metal tube frame that is connected with the comfortable seat at only one point.

FUNCTIONAL HEAD PIECE WITH V1HS

The head piece is adjustable by a ratchet mechanism that allows different positions.

LEGS

Metal frame optional available in:

- shiny chrome
- powder-coated structural black mat
- nickel satined (stainless steel optics) against extra charge see price sheet

from the left to the right:

COVERING MATERIALS

You may find the information concerning the specific properties of the covering materials on the sample labels.

SEAM

Depending on the model, the seam on leather covers may be different from fabric covers, especially on fitted items. Decorative leather seam (as felled seams or double seams) may be omitted depending on the model according to suitability of the fabric covering material.

INDICATIONS OF DIMENSIONS AND REQUIREMENTS

All the values given are approximate values: dimensions in centimetres, material requirements in metres, leather requirements in square metres.

Please note: This cantilever can be weighted up to maximum 125 kg body weight. A permanent functioning of this upholstery can only be warranted by correct use. Avoid exceeding effort (e.g. by sitting down), don't weight onesided.

ORDER CHECK LIST

Please pay attention to the following issues respectively to complete specifications when ordering:

- **article / combination**
- **covering material**
- **finish of metal frame**

Errors and amendments excepted. Our General Terms and Conditions are effective.

WITH FUNCTIONAL HEAD PIECE Cantilever armchair high back V1HS with adjustable head piece. By moving the head piece forward the total depth is reduced up to 5 cm.
